Dear Mr Rayner

Thank you for your letter dated 15 February 2007. Please accept my apologies for the long delay in replying.

I can confirm that the supply and installation of fire alarms, burglar alarms, CCTV, and access systems (for security purposes) fall outside the scope of the Construction Industry and as such you do not need to register under the new scheme.

If you do experience any difficulty from a main Contractor you should refer them to the Inland Revenue Booklet CIS340 page 61 Section A44.

Yours sincerely

*Mrs M J Wakeford*
